

HOMER CITY COMMUNITY GARDEN & LEARNING CENTER

BUILDING CREW

The Building Crew will play a crucial role in developing the community garden, as they bring skills in building, designing, & implementing various garden structures. Some tasks may include creating raised beds to promote optimal plant growth, assembling sheds for secure storage of gardening equipment, installing fencing to protect & define the garden's perimeter, crafting trellises to support climbing plants, constructing arbors to provide both visual appeal & shaded areas. Possession of or access to power tools is a plus.

Some Tasks May Include:

TOOLS	RAISED BEDS	RAINWATER
FENCING	TRELLISES	ARBORS
CANOPY SET UP	WOOD TREATMENTS	SEATING

We would be thrilled to have you join our community garden initiative as a volunteer, & we look forward to working together in nurturing & cultivating this shared space! In the coming weeks, you can expect to receive communication from us about the specific activity you have generously chosen to assist with. We aim to gather information regarding your preferences, preferred time commitment, such as the number of hours per week/month & the duration of your involvement. This will enable us to create a well-organized & cohesive plan that accommodates your availability & ensures the success of our collective efforts. Thank you again for your invaluable contribution, & we eagerly anticipate embarking on this rewarding journey with you.
